

2023-24 New York State Alternate Assessment (NYSAA): Special Circumstance Codes

Directions: Students must first be enrolled in Kite Educator Portal and rostered to a teacher, then the first contact survey must be completed. This results in a testlet being generated. Once the testlet is generated, do **NOT** open it, rather the teacher should notify the District that a special circumstance code needs to be applied. The District Test Coordinator/Building Test Coordinator (DTC/BTC) should enter the special circumstance code one time **per** content area **before** the test window closes. Refer to the Special Circumstance Code Direction Handout for entering codes.

Please note: In some situations, it may be more appropriate to exit or transfer a student rather than enter Special Circumstance Codes. If a student moves to a new district or school, the sending school can exit the student from Educator Portal or contact the NYSED to transfer the student to the new district. For a full list of possible exit reasons, please visit the [School Administrator's Manual](#).
